

Classes for Kids Pre-K through 5th Grades

Our hands-on classes engage children, improve skills, and foster cooperative learning.

We design our classes to spark creativity, nurture curiosity, and help children become more confident learners through the art of storytelling.

2022-2023

1

Our classes make great Summer and Out of School Time (SOST) programming for schools and community organizations after school, over the holidays, and during summer vacation.

2

Birdie's Bookmobile
We converted an old school bus into a "giving library." Birdie's Bookmobile visits schools, summer camps, and community events and gives free books away to kids!

Birdie's Bookmobile

Our mission is to make culturally sustaining and inclusive literature more accessible to children living in book deserts in Detroit.

About Us

Nesting Birds Education offers classes that spark creativity, nurture curiosity, and help children reach their full potential and become more confident learners through the art of storytelling.

Nesting Birds Publishing is a children's book publisher in Detroit. We publish picture books, short chapter books, ebooks, and audiobooks for kids ages 5 to 12. We are releasing our first titles in the fall of 2023.

**We Are Raising Readers and
Unleashing Storytellers!**

Our Team

Our Summer and Out of School Time (SOST) program leaders have experience working with school-age children, a Bachelor's Degree in education or a related field, or a minimum of two (2) years of verifiable experience working in early childhood education or youth development.

Safety

All Nesting Birds Education teachers, staff, independent contractors, and leaders working directly with children have undergone a criminal history background check.

CONTACT

Please contact us for more information about our Summer and Out of School Time (SOST) programming or to invite Birdie's Bookmobile to visit your school or organization.

Songbirds

Songbirds is a rhythm, rhyme, and storytime class for preschoolers.

Instruments, music, and colorful children's picture books create an entertaining class that nurtures creativity and imagination and feeds growing vocabularies.

PRESCHOOL

We recommend Songbirds: Rhythm, Rhyme, and Reading for Preschool students.

Picturebook STEM

Picturebook STEM celebrates diversity in science, technology, engineering, and math using culturally sustaining children's picture books and engaging hands-on activities to teach problem-solving and critical thinking and illustrate basic STEM concepts.

ELEMENTARY

We recommend STEM for students in grades K-2nd and 3rd-5th.

Little Reader's Theater

Little Readers Theater turns children's picture books into performances!

The little theater troupe writes scripts, designs their own small set, makes costumes, has fun with puppets, and learns through theater games.

Drama is a universal form of expression that teaches collaboration, helps boost confidence, and develops social-emotional skills.

ELEMENTARY

We recommend Little Reader's Theater for students in grades K-2nd.

Storyteller's Studio

Storyteller's Studio is an interactive class that inspires creative writers and budding wordsmiths to put pen to paper.

Learners practice using alliteration and onomatopoeia, write poems and stories, make Mad Libs, illustrate comics, and use story mapping techniques to help hone their oral and written storytelling skills.

Writers use theater exercises, journaling, and writing prompts to feed their imaginations.

ELEMENTARY AND MIDDLE

We recommend Creative Writer's Meet-Up for students in grades 3rd-5th and 6th-8th.
